

**“Our every action is focused
on creating an ambiance suitable
for fostering quality education”**

Prof. (Dr.) D.K.Sharma
Director

Engineering and professional education are pivotal for driving national and global economic transformation. At ABES Engineering College, our mission is to provide a transformative educational experience that equips our students with the skills and knowledge necessary to thrive in a rapidly evolving world.

Our college is equipped with several '**Centres of Excellence**' that encourage students to engage in hands-on, experiential learning—moving away from rote memorization to practical application. We are dedicated to staying abreast of rapidly evolving technologies to equip our students for the demands of industry and entrepreneurship.

Our quality education is driven by a pool of well qualified, experienced and dedicated faculty. We have state-of-art facilities supporting academic and extracurricular activities. The collaboration with the industry partners enables us to offer internships, guest lectures and research opportunities, thus benefitting the students for their exposure to industry practices and emerging technologies. We also offer tailor-made training programs and value added sessions for our students to enhance soft skill, life skill and leadership qualities. Our initiatives include encouraging and promoting of research and innovations through research grants and project incentives, both for faculty and the students. To support our students to build their career, we provide career guidance and placement support by maintaining ties with leading recruiters. By adopting a student-centric approach, we focus at the holistic growth of our students by establishing various clubs, to nurture and showcase their creativity and talent. Our teaching-learning pedagogy emphasises practical learning through projects, case studies and industry interactions.

Our academic processes are aligned with **Outcome-Based Education (OBE)**, ensuring that teaching and learning are focused on tangible outcomes—a hallmark of our educational platform. Every action at ABES Engineering College is meticulously planned to create an atmosphere conducive to fostering quality education and promoting research and development activities. **Our commitment to excellence is reflected through the accreditation and ranking by NAAC, NBA, and NIRF.**

We are passionately dedicated in nurturing each member of our community—faculty, staff, and students— with the ability and passion to work wisely, creatively, and effectively for the betterment of humanity.

As we embark on this academic journey together, I encourage each of you to seize the myriad opportunities available at ABES Engineering College. Let us work collaboratively to unlock your potential and pave the way for a successful future.

I extend my best wishes to all of you for a rewarding and enriching experience at ABES Engineering College- a place where knowledge meets innovations, and aspirations take flight.
