About Aaghaz

To bring out the hidden and innovative talent in college through their work by our publication. Student's thought, ideas, innovation publish in the AAGAZ magazine. Creativity is the single most desirable attribute of an engineer. The general impression of engineers is doing things by the book, rather than writing the rules.

However, nothing could be further from the truth. Today's engineers have more opportunities to be creatively engaged than most. With growing technology, the scope of innovation and its implementation has improved. Students often indulge in their books and don't let their imagination work. I would say that open up your mind and let it explore the worlds untouched. Being an engineer is not limited to being innovative or creative but it is a necessity for the improvement of the society and that is the primary job of an engineer.

Give a brief description of your club. *

Step into the vibrant world of the Creative U Club, where artistry knows no bounds and imagination takes flight. Our mission is to cultivate a tight-knit community that not only nurtures budding talents but also serves as a dynamic hub for artistic expression. With a vision to ignite the spark of creativity in every soul, we aim to unite artists under one roof, fostering collaboration and celebrating the diverse tapestry of human imagination.

From T-shirt designing to wall painting, the Creative U Club offers a kaleidoscope of activities designed to unleash the inner artist in every student. Beyond honing artistic skills, our club endeavors to create an environment where ideas flow freely, connections are forged, and leadership qualities are cultivated. Join us on this exhilarating journey of self-discovery and creative exploration, where every stroke of the brush and every splash of color tells a story of passion and inspiration.

How To Join

Every year, in month of August, the Club circulates the volunteer forms for the new members. Similarly, a separate form for becoming a team member is floated. Club faculty team invites all the students who give consent for the team members on various positions and conducts an interview session. Based on the interview, judges nominate the club team for the next session. The nomination of the club team is with the consent of previous club student head, secretary and joint secretary.

Give directions and conditions for joining your Club and Club social media handle links. *

To join our club, we host our annual recruitment drive in June and July. It's an exciting event where students showcase their skills in art, craft, painting, sketching, photography, videography, and presentations. We select 30-40 members from this event. For remaining positions, we conduct personal interviews, adding 10-20 more members. It's a simple yet engaging process to become part of our family!
