About Aaghaz

To bring out the hidden and innovative talent in college through their work by our publication. Student's thought, ideas, innovation publish in the AAGAZ magazine. Creativity is the single most desirable attribute of an engineer. The general impression of engineers is doing things by the book, rather than writing the rules.

However, nothing could be further from the truth. Today's engineers have more opportunities to be creatively engaged than most. With growing technology, the scope of innovation and its implementation has improved. Students often indulgein their books and don't let their imagination work. I would say that open up your mind and let it explore the worlds untouched. Being an engineer is not limited to being innovative or creative but it is a necessity for the improvement of the society and that is the primary job of an engineer.

Sanjeevani fosters a supportive community where you can break down stigmas and connect with others on their wellness journeys. Find solace, understanding, and a clear path toward mental health. Join us - it's time for enlightenment.

Give names, pictures, and brief descriptions of important events.

A Talk by BRAHMAKUMARIS

Sanjeevani's stage bloomed with wisdom as BK Sister Varnika, renowned for her holistic insights, graced us with her presence. Two transformative sessions, meticulously woven with spiritual principles and practical tools, captivated participants. We journeyed inward through immersive discussions, meditative practices, and mindfulness exercises, unearthing self-care secrets and the harmonious alignment of mind, body, and soul. Sister Varnika's guidance painted a path to inner peace, leaving an indelible mark that empowered us to embark on a transformative journey of holistic well-being.

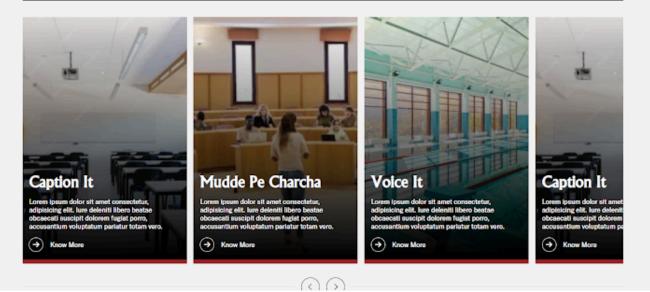

A Session with ISKCON Preachers

Sanjeevani curated a dynamic workshop titled "Personal to Professional Excellence: A Real Way of Patriotism," spearheaded by Mr. Anuj Ruhela and Mr. Saxena from ISKCON Ghaziabad. This insightful session intricately linked personal growth to national devotion. Participants were immersed in a transformative discourse, blending practical strategies with spiritual insights. Mr. Ruhela and Mr. Saxena's guidance navigated the journey from individual self-improvement to contributing positively to the nation. Attendees embraced holistic approaches to enhance their personal and professional lives, recognizing that individual excellence contributes profoundly to the greater fabric of patriotism and societal betterment.

How To Join

Every year, in month of August, the Club circulates the volunteer forms for the new members. Similarly, a separate form for becoming a team member is floated. Club faculty team invites all the students who give consent for the team members on various positions and conducts an interview session. Based on the interview, judges nominate the club team for the next session. The nomination of the club team is with the consent of previous club student head, secretory and joint secretory.

On 9th January 2024, the Sanjeevani Society of ABES Engineering College, Ghaziabad (ABESEC) signed a Memorandum of Understanding (MoU) with the Ethiccraft Club Ghaziabad, an affiliate of ISKCON, NCR, to foster value awareness among the youth and develop responsible leaders through systematic education and training programs. The three-year collaboration, formalized by Prof. (Dr.) Sanjay Kr. Singh and Abhinav Yadav, will involve value enrichment programs, awareness seminars, and academic development activities, with a focus on addressing social issues and supporting students' mental health through spiritual outreach. The Sanjeevani Society is dedicated to forming more such partnerships to improve community well-being.

Add a few pictures of partnerships or Creatives if needed.
