About Aaghaz

To bring out the hidden and innovative talent in college through their work by our publication. Student's thought, ideas, innovation publish in the AAGAZ magazine. Creativity is the single most desirable attribute of an engineer. The general impression of engineers is doing things by the book, rather than writing the rules.

However, nothing could be further from the truth. Today's engineers have more opportunities to be creatively engaged than most. With growing technology, the scope of innovation and its implementation has improved. Students often indulgein their books and don't let their imagination work. I would say that open up your mind and let it explore the worlds untouched. Being an engineer is not limited to being innovative or creative but it is a necessity for the improvement of the society and that is the primary job of an engineer.

Give your club's logo in the attachment. *

Give a brief description of your club. *

The Youth and Tourism Club of ABESEC is dedicated to raising awareness among youth about the cultural and heritage sites of India, aiming to instill a sense of pride and responsibility towards preserving the nation's rich legacy. By participating in various activities and events, members gain a deeper understanding of India's diverse cultural heritage, from ancient monuments and historic landmarks to traditional arts and local customs.

The club actively promotes responsible tourism practices, teaching members the importance of sustainable travel and the ethical treatment of cultural sites. By organizing educational trips, workshops, and seminars, the club ensures that students are well-informed about the impact of tourism on heritage sites and the necessity of their preservation. Additionally, the club encourages a strong sense of advocacy, motivating students to engage in efforts to protect and maintain these invaluable sites for future generations.

Participants in the Youth and Tourism Club become cultural ambassadors, representing and advocating for India's cultural heritage both within and beyond the college community. They develop leadership and communication skills, enabling them to effectively share their knowledge and passion with others. Through these experiences, members not only gain personal enrichment but also contribute to a larger movement of cultural preservation and responsible tourism, fostering a sense of unity and pride in India's diverse heritage.

Section 4

Give names, pictures, and brief descriptions of important events.
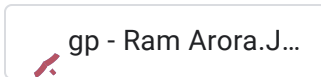

Celebrating India
Description:-The Youth and Tourism Club of ABESEC recently hosted a vibrant event titled "Celebrating India," showcasing the rich cultural diversity of our nation. Students enthusiastically participated by donning traditional attire from various states, representing the unique cultures of India through song, dance, and open-mic performances.

The event featured an array of performances where students sang folk songs, performed traditional dances, and shared stories and poems during the open-mic session, highlighting the distinct cultural heritage of each state. This celebration not only provided an immersive cultural experience but also fostered a sense of unity and appreciation for India's diverse traditions among the attendees.
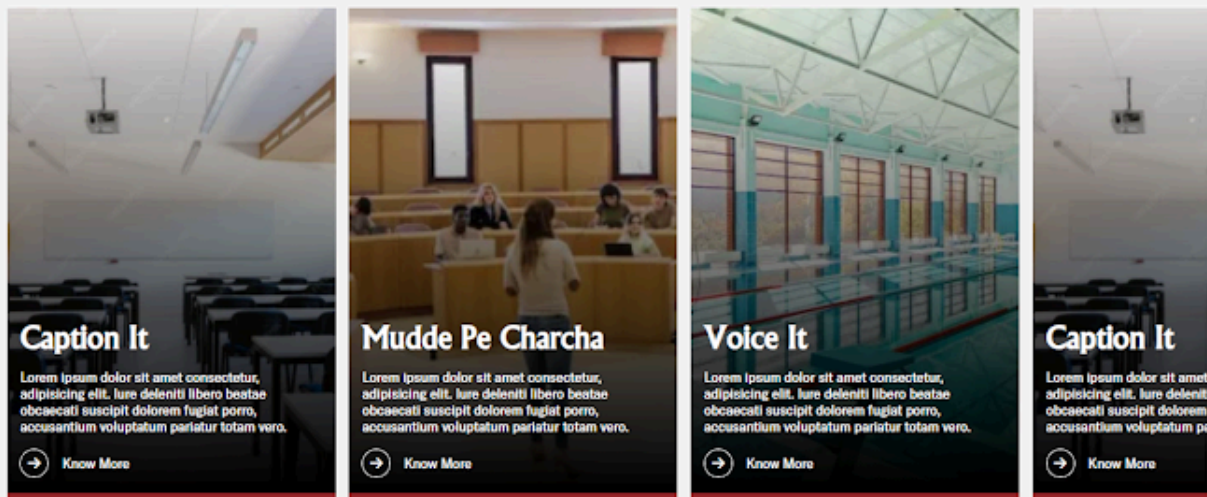

Logo Making Competition
Description:-The Logo Making Competition was a testament to the artistic prowess and ingenuity of our students, highlighting their ability to capture the essence of our college in a single design. The winning logo, selected through the combined efforts of the judging panel and the online community(Polling on official Instagram page)

Give representative picture of Flagship event.

Section 7

How To Join

Every year, in month of August, the Club circulates the volunteer forms for the new members. Similarly, a separate form for becoming a team member is floated. Club faculty team invites all the students who give consent for the team members on various positions and conducts an interview session. Based on the interview, judges nominate the club team for the next session. The nomination of the club team is with the consent of previous club student head, secretory and joint secretory.

You can also find us here :

Give directions and conditions for joining your Club and Club social media handle links. *

Students must meet certain criteria: they need to maintain a minimum of 75% attendance in their classes, exhibit a curiosity for tourism, and have strong social and communication skills. Additionally, prospective members should be interactive and cooperative, willing to engage with others and actively contribute to the club's activities and goals.

Social Media Handle:- youth_and_tourism.abesec
